

Do you need resources for youth aged 14-26?

Northwest Colorado Center for Independence has collaborated with several local, regional, and state agencies/organizations to bring the **Youth Transition Resource Round Up to Craig**.

We will have booths set up for youth and their families to visit to gather info on the process of Youth Transition. Resources available for IEP/504 advocacy, disability rights, self-advocacy, parent support, peer groups, information on Medicaid and waivers, various therapy services, mental health, medical and dental care, educational programs and support, deaf/blind services, learning disability support, community outreach, care coordination, job preparation and coaching and so much more.

**August 31, 2022
4-7 PM**
