Join Disability Law Colorado to Learn About the Law Regarding Service & Assistance Animals

Do you know the difference between a service animal an assistance animal and an emotional support animal?

Do you know which of these animals is allowed in a public business? In housing? In a school? On airplanes?

Do you know when an animal – even an legitimate service animal – can be removed from a public business?

Do you know what information can be requested of a person with a disability entering a public business with an animal? In housing?

Do you know about Colorado's law regarding misrepresentation of a service animal that went into effect on January 1, 2018?

If discussion around any of the above questions interests you, we encourage you to attend.

This training is open to the public at \$10/person. Space is limited and registration will be on a first-come, first-served basis. Questions about these upcoming trainings? Contact Emily Harvey at eharvey@disabilitylawco.org or 303.722.0300.
